About This Game

Plague and desperation grip the lands of Crow's Wood, leaving the townsfolk paranoid of the dangers lurking beyond their gates.

Cast out from the town and riddled with misfortune, You must seek to infiltrate the very hierarchical Tudor society that has turned its back on you and uncover the secrets needed to save yourself.

Scour the wilderness for items to trade with the sheltered sycophants on your journey and gather what you need to put an end to your afflictions in this brand new social survival game.

But beware, as the wilds of Crow's Wood are a dangerous place to wander alone.

Explore

Explore the decaying town of Crow's Wood and the surrounding area, finding friends, foes and even items to hinder or help you on your way.

From the forest greens to the barren wastes, there is always someone or something waiting...

Trade and Socialise

Barter and trade with the townsfolk, they will not leave disappointed. Food, potions and remedies all available, if you have the items.

But you cannot trade unless you are respected, you must gain reputation through your exchanges both speech and trade.
Peasants, Serfs, Commoners and Nobles ascend the ranks of society and try maintain your reputation.

Survive

Poisoned with a mysterious disease and cast out from the town, you must use your reputation and bartering skills to create the antidotes to hold off the disease and infiltrate the town, ultimately creating the cure.
